

“After-Exit” Running Start Proviso Assurances 2023 Summer

Please review the assurances below before registering graduating Class of 2023 students for summer quarter Running Start or reporting enrollment for students who have graduated within 15 credits of an associate of arts, science, or technical arts (AA, AS, or ATA) degree after meeting Running Start enrollment limits.

By submitting these assurances with a summer Running Start enrollment report, the community or technical college listed below is requesting Running Start tuition payment for courses taken by students eligible for the summer quarter in accordance with [Substitute Senate Bill 5187 \(2023\)\(522\)\(2\)\(i\)](#). Therefore, the undersigned party attests that:

- All students included on the report met all the following requirements and therefore were eligible to enroll in the summer quarter and access the “After-Exit” Running Start proviso funds.
 - They were graduating with the Class of 2023, as verified by a high school transcript or documentation signed by a school counselor or high school administrator.
 - They met maximum Running Start enrollment limits in the 2022–2023 school year.
 - They are within 15 college credits of earning an AA/AS/ATA degree.
- All students included on the report participated in the summer term and had not withdrawn by the summer quarter drop date.
- The college is requesting payment for only those credits that fulfilled AA/AS/ATA degree requirements, not to exceed a maximum of 15 college credits per eligible student.
- The college waived fees for all participating students eligible for free or reduced-price lunch (FRPL) pursuant to [Revised Code of Washington 28A.600.310](#).
- The college has notified each high school of the students’ summer quarter enrollment.
- The college understands that payment for students/credits reported by August 11, 2023 will be made through the August apportionment. No late submissions will be accepted or processed.
