3. On February 4 2020, the Office of Professional Practices (OPP) within the Office of Superintendent of Public Instruction (OSPI) received a complaint from Steven T. Webb, Ed.D., the Superintendent of the School District, alleging the Educator committed unprofessional conduct pursuant to WAC 181-87-050 for providing false information on employment application disclosure forms.
4. The Educator previously worked for the Camas School District (CSD).
5. Payroll records from CSD show the Educator was on administrative leave March 23, 2017, through June 26, 2017, to investigate concerns arising in her classroom.
6. On April 24, 2017, CSD issued a Probable Cause Letter for Termination for the Educator.

10. On November 5, 2018, the Educator submitted an application to the School District. On that application, the Educator answered “no” to the questions "Have you ever resigned or otherwise separated from employment in order to avoid discharge or non-renewal?" and "Are you now being investigated for any alleged misconduct or other alleged grounds for discipline by any licensing, certification, or other regulatory body... ?"
11. On March 6, 2019, the Educator received an Agreed Order of Reprimand on her education certificate from OSPI for using restraints as a behavior modification tool in violation of WAC 181-87-060(1) while employed as a Preschool Special Education teacher for CSD.

II. CONCLUSIONS OF LAW

1. Chapter 28A.410 RCW gives the Professional Educator Standards Board the authority to develop regulations determining eligibility for and certification of personnel employed in the common schools of the state of Washington. OSPI acts as the administrator of those statutes and regulations and has the authority to issue, reprimand, suspend, and revoke education certificates. RCW 28A.410.010; RCW 28A.410.090. Chapters 181-86 and 181-87 of the Washington Administrative Code (WAC) further implement OSPI's authority.

2. OSPI has jurisdiction over the Educator and the subject matter of this action.

3. The Educator committed acts of unprofessional conduct pursuant to WAC 181-87-050.

4. There is a clear and convincing evidence that the Educator committed acts of unprofessional conduct pursuant to WAC 181-86-170.

5. Pursuant to WAC 181-86-080, eleven factors, at a minimum, are to be considered to determine the appropriate level and range of educator discipline:

- (1) The seriousness of the act(s) and the actual or potential harm to persons or property;
- (2) The person's criminal history including the seriousness and amount of activity;
- (3) The age and maturity level of participant(s) at the time of the activity;
- (4) The proximity or remoteness of time in which the acts occurred;
- (5) Any activity that demonstrates a disregard for health, safety or welfare;
- (6) Any activity that demonstrates a behavioral problem;
- (7) Any activity that demonstrates a lack of fitness;
- (8) Any information submitted regarding discipline imposed by any governmental or private entity as a result of acts or omissions;
- (9) Any information submitted that demonstrates aggravating or mitigating circumstances;
- (10) Any information submitted to support character and fitness; and
- (11) Any other relevant information submitted.

6. Based on the foregoing facts and considering them in light of the eleven factors enumerated in WAC 181-86-080, and in light of WAC 181-86-070, WAC 181-86-170, and WAC 181-87-050, the Educator's education certificate should be suspended for unprofessional conduct.
